OneCare

OneCare Policy Terms Correction

4 August 2014

OneCare is issued by OnePath Life Limited (OnePath) ABN 33 009 657 176 AFSL 238341. OnePath is the issuer of this document and is responsible for the contents.

This document corrects the OneCare Policy Terms dated 14 September 2013 and 1 July 2014 (**Policy Terms**). It is to be read together with the Policy Terms. We have issued this document to correct a printing error related to the Carcinoma in situ trauma definition.

15. Trauma conditions defined

Please update the definition as follows;

OneCare Policy terms dated 14 September 2013 and 1 July 2014	Replace with the following
Carcinoma in situ means the life insured is confirmed by biopsy to have localised pre-invasive or low level cancer in one or more of the following sites: • breast including, but not limited to, pre cancer of the milk ducts or lobules • cervix uteri • corpus uteri • fallopian tube • ovary • penis • perineum • prostate • testicle • vagina • vulva	**Carcinoma in situ** means the life insured is confirmed by biopsy to have localised pre-invasive or low level cancer in one or more of the following sites: • breast including, but not limited to, pre cancer of the milk ducts or lobules • cervix uteri • corpus uteri • fallopian tube • ovary • penis • perineum • prostate • testicle • vagina • vulva The pre-invasive or low level cancer must have a grading of at least CIN-3, TNM classification of Tis or FIGO Stage 0.
