About this Application Form

Reinstatement of cover under OneCare Super policies

If your original OneCare Super policy was cancelled because premiums have not been paid and the auto-reinstatement period has passed, you will need to reapply to become a member of the Retirement Portfolio Service (ABN 61 808 189 263, RSE R1000986) as your membership in the fund ceased when your insurance cover cancelled.

Reinstatement of OneCare Super policies that commenced before 27 September 2021

Please be aware that cover being reinstated will be based on the current OneCare Product Disclosure Statement and may have different terms, conditions and pricing to the cover that was held before 27 September 2021. Whilst some of the terms and conditions of OneCare Income Secure Cover are similar to those issued before 27 September 2021, most terms and conditions are materially different and may be adverse. You should read the current OneCare Product Disclosure Statement to understand the new terms and conditions (available at onepath.com.au or by calling us on 133 667) and consider the appropriateness of OneCare Super, having regard to your objectives, financial situation and needs.

If we accept your application, you will receive a new OneCare Super policy and membership number.

Please note: If your OneCare Super policy premium is being paid from an External Superannuation fund, we cannot reinstate this policy until the premium has been received from the External Superannuation Fund.

Reinstatement of Leading Life in Retirement Portfolio Service policies

Leading Life in Retirement Portfolio Service is now closed to new memberships. If your Leading Life in Retirement Portfolio Service policy was cancelled because premiums have not been paid and the auto-reinstatement period has passed, we are unable to reinstate either your membership or your insurance cover. However, you may reapply to become a member of the Retirement Portfolio Service (ABN 61 808 189 263, RSE R1000986) and apply for a new OneCare Super policy with reduced underwriting by completing this form.

Please be aware that whilst some of the terms and conditions of OneCare Super are similar to those of Leading Life in Retirement Portfolio Service, some terms and conditions are materially different and may be adverse.

You should read the OneCare Product Disclosure Statement (also available at onepath.com.au or by calling us on 133 667) and consider the appropriateness of OneCare Super, having regard to your objectives, financial situation and needs.

All Applicants

We will advise you in writing of our decision to accept or decline your application and where relevant, the terms and premium to apply. If acceptance of your application is subject to underwriting terms that differ from the underwriting terms of your original policy, we will advise you of this and any additional requirements.

Please be aware that you have no cover under the policy for which you are applying until OnePath Life:

- receives all outstanding requirements and
- confirms acceptance of your application in writing.

In order for your application to be assessed you must provide payment details by completing the relevant sections for this form.

Duty to take reasonable care not to make a misrepresentation

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into. To meet this duty, each person whose life is to be insured must also take reasonable care not to make such a misrepresentation.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

Not meeting your legal duty can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

About this application

When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can provide cover, and if so on what terms and at what cost.

We will ask questions we need to know the answers to. These will be about personal circumstances, such as health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance of each life to be insured. The information given to us in response to our questions is vital to our decision.

When you apply for insurance benefits through a superannuation fund or ask to extend or make changes to existing insurance benefits, the fund trustee passes on your personal information to us. You also therefore need to take reasonable care not to make a misrepresentation when providing this information to the fund trustee.

Guidance for answering our questions

You are responsible for the information provided to us. Each person answering our questions should:

- think carefully about each question before answering. If you are unsure of the meaning of any question, please ask us before you respond
- answer every question
- answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it
- review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections).

Changes before your cover starts

Before your cover starts, please tell us about any changes that mean you and each person who answered our questions would now answer differently. It could save time if you let us know about any changes as and when they happen. This is because any changes might require further assessment or investigation.

Notifying the insurer

If, after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

Telephone contact

After you submit your application, we may contact you by phone to collect any information missing from your application. The information you provide will be recorded and used in the assessment of your application for insurance cover. The need for you to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into also applies during any phone contact with us.

If you need help

It's important that you and every person answering our questions understands this information and the questions we ask. Ask us or your adviser for help if you have difficulty answering our questions or understanding the application process.

If you're having difficulty due to a disability, understanding English or for any other reason, we're here to help and can provide additional support for anyone who might need it. You can have a support person you trust with you.

What can we do if the duty is not met?

If a person who answers our questions does not take reasonable care not to make a misrepresentation, there are different remedies that may be available to us. These are set out in the *Insurance Contracts Act 1984* (Cth). They are intended to put us in the position we would have been in if the duty had been met.

For example we may do one of the following:

- avoid the cover (treat it as if it never existed)
- vary the amount of the cover
- vary the terms of the cover.

Whether we can exercise one of these remedies depends on a number of factors, including all of the following:

- whether the person who answered our questions took reasonable care not to make a misrepresentation. This depends on all of the relevant circumstances. This includes how clear and specific our questions were and how clear the information we provided on the duty was
- what we would have done if the duty had been met – for example, whether we would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent
- in some cases, how long it has been since the cover started.

Before we exercise any of these remedies, we will explain our reasons, how to respond and provide further information, and what you can do if you disagree.

Before proceeding, can you please tick the appropriate response:

C Nomination of beneficiaries – OneCare Super

For information on nominating a beneficiary please refer to 'Death Benefit' in the 'OneCare Super' section of the PDS. 'Trustee' in this section refers to OnePath Custodians as the trustee of the Retirement Portfolio Service (the Fund).

As a member of the Fund, you have two options in relation to your Death Benefit. You can either make:

- a lapsing nomination, which must be confirmed or updated within three years of the date of the initial nomination or any subsequent nomination, or
- a non-lapsing nomination, which does not have to be confirmed or updated every three years.

If you provide us with a nomination (whether lapsing or non-lapsing) the Trustee must pay your Death Benefit to the beneficiaries you have nominated and in such proportions as you have specified, provided it satisfies all legal requirements, and has not become defective. The circumstances in which a nomination may become defective, and how the Trustee will pay your death benefit in these circumstances, are explained in the PDS.

A nominated beneficiary (whether a lapsing or a non-lapsing nomination) must be your dependant under superannuation law (including financial dependant) or your Legal Personal Representative (estate).

Tick one of the boxes below to indicate whether you are choosing to make a lapsing or non-lapsing nomination:

Lapsing nomination

I hereby advise the Trustee of my lapsing nomination as to who should receive the benefit payable on my death and in what proportions. Such payment is subject to the terms and conditions of the policy and any limitations imposed by law at the time of payment. I reserve the right to alter my nomination at any time.

Non-lapsing nomination

I hereby advise the Trustee of my non-lapsing nomination as to who should receive the benefit payable on my death, how to pay the benefit, and in what proportions. Such payment is subject to the terms and conditions of the policy and any limitations imposed by law at the time of payment. I reserve the right to alter my nomination at any time.

Please make your nomination(s) in the space provided below, up to a maximum of five nominations. You should update your nominations as personal circumstances change, e.g. you marry, divorce or have a child/children. You may indicate how you would like your benefit to be paid, i.e. a lump sum or an income stream or a combination of both. Please note that the Trustee has the discretion as to how the benefit is to be paid. Superannuation rules restrict who can receive, and how much can be paid as, an income stream. Eligibility is determined at the time the income stream is proposed to commence and not at the time the nomination is made. Speak to your financial adviser for more information. Any amount paid to an estate is paid as a lump sum.

Declaration for OneCare Super beneficiary nominations

1. I have read and understood the 'Death Benefit' in the 'OneCare Super' section of the PDS which accompanies this Application Form and have provided my nomination to OnePath Custodians, the Trustee.
2. I understand that the Trustee will pay my death benefit to the beneficiaries I have nominated and in such proportions as I have specified, provided certain requirements as set out in the trust deed for the Fund are met.
3. I understand my death benefit will not be payable in accordance with my nomination if it is cancelled or becomes defective and will instead be payable as set out in the PDS.
4. I understand that if I choose to make a lapsing nomination, my nomination will also become defective if I do not confirm or amend my nomination, or make no fresh nomination within either three years of the date I make the initial nomination or three years after any subsequent nomination.
5. I understand and acknowledge that a non-lapsing nomination will not override a previous valid lapsing nomination. The previous lapsing nomination must first be revoked before making a new non-lapsing nomination.
6. I understand that any nomination I make on this form will only apply to the benefits payable under the OneCare Super policy, issued by OnePath Life Limited to the Trustee in respect of my life.
7. By completing this form, I acknowledge that it is my responsibility to ensure that each person I have nominated as a beneficiary is made aware that:

 - the life insured is under the age of 25 years.

I acknowledge that by making this declaration, under superannuation law I have elected for the benefits to continue regardless of the factors above and that I can cease the policy on request.
