Instructions for completing this form

- All sections must be completed in black or blue ink and in BLOCK CAPITAL letters.
- Please attach to this form proof of your insurance cover (See Section 3b for details).
- Please return the completed form along with the attachments to: OnePath Life Limited, GPO Box 4129, Sydney NSW 2001.

When to use this form

We (OnePath Life) are the insurer in respect of a group insurance plan with either your employer ('Employer') or superannuation fund (whichever is applicable to you).

Please complete this form if you:

- are a member of your Employer's group insurance plan insured by OnePath Life ('Employer Plan'); or
- are a member of a superannuation fund insured by OnePath Life ('Fund'); and
- wish to apply to transfer your existing Death cover or Death and Total and Permanent Disablement (TPD) cover under another life insurance policy ('Previous Cover'), as a member of a superannuation fund ('Previous Fund') to OnePath Life ('Transferred Cover').

You can apply to transfer your insurance cover to OnePath Life if:

- your Previous Cover is held through a superannuation fund (you cannot transfer cover from an individual policy (non-super), non-superannuation group policy or with a self managed superannuation fund)
- your Previous Cover is valid and current at the time you submit this Insurance Transfer Form
- you satisfy the eligibility criteria applicable to the insurance policy
- you wish to transfer up to \$1 million of Death or Death and TPD cover, in addition to any cover already held by you with OnePath Life at the time of transfer
- transferring your Death or Death and TPD cover will not cause your TPD cover to exceed your Death cover
- you have not made, nor are entitled to make a claim, in relation to your Previous Cover.

Note: Transferred Cover will be converted to the same unitised or fixed-dollar cover arrangement as your existing cover with OnePath Life or, if you have no existing cover, then the default arrangement (unitised or fixed) provided by your Employer Plan or Fund.

Fixed-dollar cover will be rounded to the next highest multiple of \$1,000. Unitised cover will be rounded to the next highest unit (if rounding is required), subject to the limits set out in Section 7.

Important notice

It is important that you have read and understood your Fund's or OnePath's (if you are a member of an Employer Plan) current Product Disclosure Statement for the type of cover which you are applying to transfer. This Insurance Transfer Form is confidential – please refer to the Privacy Statement at Section 6.

Cancelling your previous cover

We will assess your application to transfer cover. You will be notified of our decision in writing. We may need to contact your Previous Fund or its insurer to complete the assessment of your application.

If we accept your application, you must cancel your Previous Cover upon notification of our decision. If you do not cancel your Previous Cover, and in the event OnePath Life accepts a claim for Death, Terminal Illness or Total and Permanent Disablement, OnePath Life will reduce any benefit payable under the policy issued by OnePath Life, by the amount of any benefit payable under the Previous Cover.

To ensure you are covered at all times, do not cancel your Previous Cover until you are notified in writing that your application for Transferred Cover has been accepted by OnePath Life.

Duty to take reasonable care not to make a misrepresentation

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer. To meet this duty, you must also take reasonable care not to make such a misrepresentation.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

Not meeting your legal duty can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

About this application

When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can provide cover, and if so on what terms and at what cost.

We will ask questions we need to know the answers to. These will be about personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information given to us in response to our questions is vital to our decision.

When you apply for insurance benefits through a superannuation fund or ask to extend or make changes to existing insurance benefits, the fund trustee may pass on to us personal information you provide to them. You also therefore need to take reasonable care not to make a misrepresentation when providing this information to the fund trustee.

Guidance for answering our questions

You are responsible for the information you provide to us. When answering our questions, you should:

- think carefully about each question before answering. If you are unsure of the meaning of any question, please ask us before you respond
- answer every question
- answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it. Please don't assume we will ask others such as your doctor.
- review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections).

Changes before your cover starts

Before your cover starts, please tell us about any changes that mean you would now answer our questions differently. It could save time if you let us know about any changes as and when they happen. This is because any changes might require further assessment or investigation.

Notifying the insurer

If, after the cover starts, you think you may not have met your duty, please tell us immediately and we'll let you know whether it has any impact on the cover.

Telephone contact

After you submit your application, we may contact you by phone to collect any information missing from your application. The information you provide will be recorded and used in the assessment of your application for insurance cover. The need for you to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into also applies during any phone contact with us.

If you need help

It's important that you understand this information and the questions we ask. Ask us for help if you have difficulty answering our questions or understanding the application process.

If you're having difficulty due to a disability, understanding English or for any other reason, we're here to help and can provide additional support for anyone who might need it. You can have a support person you trust with you.

What can we do if the duty is not met?

If you do not take reasonable care not to make a misrepresentation, there are different remedies that may be available to us. These are set out in the *Insurance Contracts Act 1984* (Cth). They are intended to put us in the position we would have been in if the duty had been met.

For example, we may do one of the following:

- avoid the cover (treat it as if it never existed)
- vary the amount of the cover
- vary the terms of the cover.

Whether we can exercise one of these remedies depends on a number of factors, including all of the following:

- whether you took reasonable care not to make a misrepresentation. This depends on all of the relevant circumstances. This includes how clear and specific our questions were and how clear the information we provided on the duty was
- what we would have done if the duty had been met – for example, whether we would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent
- in some cases, how long it has been since the cover started.

Before we exercise any of these remedies, we will explain our reasons, how to respond and provide further information, and what you can do if you disagree.

7 Frequently asked questions

What are acceptable forms of proof of insurance cover referred to in Section 3(b)?

Acceptable forms of proof include:

- a recent member statement from your Previous Fund (or previous insurer) or
- a Certificate of Currency – this document provides proof of your insurance coverage on the date that the certificate is requested. It is only valid on the day in which it is issued and represents information current at the time of the request. You can ask your Previous Fund to obtain a Certificate of Currency directly from their insurer.

A Record of Contributions (ROCs) is not an acceptable form of proof of insurance cover.

If your insurance cover has changed since the date your statement or Certificate of Currency was issued, you need to provide evidence of your current type and level of insurance in the Previous Fund.

Can I transfer part of my cover?

No. Partial transfers of cover are not allowed. For example, if you hold \$500,000 of Death cover in the Previous Fund, you must transfer the entire \$500,000 to OnePath Life. If you attempt to transfer a lesser amount, your application will not be approved. However, you may transfer the full amount of cover and then reduce your cover through OnePath Life at any time.

Can I only transfer my cover to OnePath Life if I was previously underwritten (i.e. if I provided medical evidence)?

No. You can transfer cover to OnePath Life even if you obtained it automatically through another superannuation fund.

How will my Transferred Cover be calculated?

For fixed-dollar cover, generally the amount of cover remains the same irrespective of changes in your age, but the premium will increase on each birthday. Transferred Cover will be rounded up to the next highest multiple of \$1,000. For example, if you hold fixed-dollar cover equal to \$150,200, your Transferred Cover will be rounded up to \$151,000.

For unitised cover, the insured benefit is based on a number of units, where one unit represents a set amount which generally depends on how old you are. Transferred cover will be based on the number of units of cover, rounded up to the next whole unit. Any increase in insurance due to rounding-up of units is provided on New Events terms, only covering claims arising from a sickness which first becomes apparent or an injury which first occurs on or after the date that cover is accepted by OnePath Life.

What happens to my existing cover with OnePath Life?

Generally, your Transferred Cover will be added to any existing cover (including automatic and voluntary cover) with OnePath Life, subject to the maximum levels of cover. Premiums may vary – please refer to your Fund's or OnePath Life's current PDS for maximum levels of cover and premium rates.

What if special conditions apply to my Previous Cover?

Any limitation, restriction or loading that applied to your Previous Cover will continue to apply to your Transferred Cover. For example, if your Previous Cover had a back exclusion, that back exclusion will apply to your Transferred Cover.

Is there a maximum amount of cover I can transfer using this form?

Yes. You can transfer up to \$1,000,000 of Death or Death and TPD cover.

What if I want to transfer more than the above maximum amount of cover?

It is recommended that you contact your Fund or OnePath Life prior to submitting your application form because your application may be given individual consideration.

When will my Transferred Cover commence?

From the date your insurance application is accepted by OnePath Life.

Will my Transferred Cover be on the same terms as my Previous Cover?

No. If your application to transfer insurance cover is approved, the insurance cover will be subject to the terms and conditions of the Policy issued by OnePath Life to the Fund or Employer. If you are unsure about what this means for your Transferred Cover, it is recommended that you obtain financial advice before applying to transfer your insurance cover.
