Before you sign this Application to Cancel and Replace form, be aware that OnePath Life, OnePath Custodians or your adviser will provide you with a Product Disclosure Statement (PDS) containing important information about the product(s) you are applying for. This information will help you to understand the product(s) and if it is appropriate for your needs.

Important information

Cancel and replace is only available if neither the life insured nor anyone else is entitled to make a claim in relation to the life insured under this policy.

Please use this form where there are no other changes to the policy.

Duty to take reasonable care not to make a misrepresentation

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into. To meet this duty, each person whose life is to be insured must also take reasonable care not to make such a misrepresentation.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If you do not meet your duty

Not meeting your legal duty can have serious impacts on your insurance. Your cover could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

About this application

When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can provide cover, and if so on what terms and at what cost.

We will ask questions we need to know the answers to. These will be about personal circumstances, such as health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance of each life to be insured. The information given to us in response to our questions is vital to our decision.

When you apply for insurance benefits through a superannuation fund or ask to extend or make changes to existing insurance benefits, the fund trustee passes on your personal information to us. You also therefore need to take reasonable care not to make a misrepresentation when providing this information to the fund trustee.

Guidance for answering our questions

You are responsible for the information provided to us. Each person answering our questions should:

- think carefully about each question before answering. If you are unsure of the meaning of any question, please ask us before you respond
- answer every question
- answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it
- review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections).

Changes before your cover starts

Before your cover starts, please tell us about any changes that mean you and each person who answered our questions would now answer differently. It could save time if you let us know about any changes as and when they happen. This is because any changes might require further assessment or investigation.

Notifying the insurer

If, after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

Telephone contact

After you submit your application, we may contact you by phone to collect any information missing from your application. The information you provide will be recorded and used in the assessment of your application for insurance cover. The need for you to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into also applies during any phone contact with us.

If you need help

It's important that you and every person answering our questions understands this information and the questions we ask. Ask us or your adviser for help if you have difficulty answering our questions or understanding the application process.

If you're having difficulty due to a disability, understanding English or for any other reason, we're here to help and can provide additional support for anyone who might need it. You can have a support person you trust with you.

What can we do if the duty is not met?

If a person who answers our questions does not take reasonable care not to make a misrepresentation, there are different remedies that may be available to us. These are set out in the *Insurance Contracts Act 1984* (Cth). They are intended to put us in the position we would have been in if the duty had been met.

For example we may do one of the following:

- avoid the cover (treat it as if it never existed)
- vary the amount of the cover
- vary the terms of the cover.

Whether we can exercise one of these remedies depends on a number of factors, including all of the following:

- whether the person who answered our questions took reasonable care not to make a misrepresentation. This depends on all of the relevant circumstances. This includes how clear and specific our questions were and how clear the information we provided on the duty was
- what we would have done if the duty had been met – for example, whether we would have offered cover, and if so, on what terms
- whether the misrepresentation was fraudulent
- in some cases, how long it has been since the cover started.

Before we exercise any of these remedies, we will explain our reasons, how to respond and provide further information, and what you can do if you disagree.

Your duty to take reasonable care not to make a misrepresentation continues until your application has been accepted. Please make sure you answer all applicable questions completely and truthfully.

Beneficiary details

Please complete this section if you are nominating beneficiaries for death benefits under your policy(ies).

B1 Nomination of beneficiaries – OneCare non-superannuation

Please complete the table below to nominate the beneficiaries to whom death benefits under any cover will be paid and in what proportion.

I/We, the policy owner(s), nominate the following beneficiary(ies) to receive the specified proportion of the amount insured payable in the event of the life insured's death. Such payment is subject to the terms and conditions of the policy and any limitations imposed by law at the time of payment. I/We understand that I/we reserve the right to alter this nomination at any time and that subsequent valid nominations supercede previous nominations. If the ownership of this policy is transferred at any time any existing nomination shall become void. OnePath may discharge its obligations to any minor beneficiary by paying monies due to a duly appointed legal guardian of any minor beneficiary or to the duly appointed trustee of any appropriate fund created for the purpose of receiving any monies so due, among other things.

B2 Nomination of beneficiaries – OneCare Super

For information on nominating a beneficiary please refer to 'Death Benefit' in the 'OneCare Super' section of the PDS. 'Trustee' in this section refers to OnePath Custodians as the trustee of the Retirement Portfolio Service (the Fund).

As a member of the Fund, you have two options in relation to your Death Benefit. You can either make:

- a lapsing nomination, which must be confirmed or updated within three years of the date of the initial nomination or any subsequent nomination, or
- a non-lapsing nomination, which does not have to be confirmed or updated every three years.

If you provide us with a nomination (whether lapsing or non-lapsing) the Trustee must pay your Death Benefit to the beneficiaries you have nominated and in such proportions as you have specified, provided it satisfies all legal requirements, and has not become defective. The circumstances in which a nomination may become defective, and how the Trustee will pay your death benefit in these circumstances, are explained in the PDS.

A nominated beneficiary (whether a lapsing or a non-lapsing nomination) must be your dependant under superannuation law (including financial dependant) or your Legal Personal Representative (estate).

Tick one of the boxes below to indicate whether you are choosing to make a lapsing or non-lapsing nomination:

Lapsing nomination

I hereby advise the Trustee of my lapsing nomination as to who should receive the benefit payable on my death and in what proportions. Such payment is subject to the terms and conditions of the policy and any limitations imposed by law at the time of payment. I reserve the right to alter my nomination at any time.

Non-lapsing nomination

I hereby advise the Trustee of my non-lapsing nomination as to who should receive the benefit payable on my death, how to pay the benefit, and in what proportions. Such payment is subject to the terms and conditions of the policy and any limitations imposed by law at the time of payment. I reserve the right to alter my nomination at any time.

Please make your nomination(s) in the space provided on the next page, up to a maximum of five nominations. You should update your nominations as personal circumstances change, e.g. you marry, divorce or have a child/children. You may indicate how you would like your benefit to be paid, i.e. a lump sum or an income stream or a combination of both. Please note that the Trustee has the discretion as to how the benefit is to be paid. Superannuation rules restrict who can receive, and how much can be paid as, an income stream. Eligibility is determined at the time the income stream is proposed to commence and not at the time the nomination is made. Speak to your financial adviser for more information. Any amount paid to an estate is paid as a lump sum.

Declaration for OneCare Super beneficiary nominations

- I have read and understood the 'Death Benefit' in the 'OneCare Super' section of the PDS which accompanies this form and have provided my nomination to OnePath Custodians, the Trustee.
- I understand that the Trustee will pay my death benefit to the beneficiaries I have nominated and in such proportions as I have specified, provided certain requirements as set out in the trust deed for the Fund are met.
- I understand my death benefit will not be payable in accordance with my nomination if it is cancelled or becomes defective and will instead be payable as set out in the PDS.
- I understand that if I choose to make a lapsing nomination, my nomination will also become defective if I do not confirm or amend my nomination, or make no fresh nomination within either three years of the date I make the initial nomination or three years after any subsequent nomination.
- I understand and acknowledge that a non-lapsing nomination will not override a previous valid lapsing nomination. The previous lapsing nomination must first be revoked before making a new non-lapsing nomination.
- I understand that any nomination I make on this form will only apply to the benefits payable under the OneCare Super policy, issued by OnePath Life to the Trustee in respect of my life.
- By completing this form, I acknowledge that it is my responsibility to ensure that each person I have nominated as a beneficiary is made aware that:
 - they have been nominated as a beneficiary
 - OnePath Life and the Trustee hold a record of their personal information for this purpose
 - they may contact OnePath or request access to their information by calling Customer Services on 133 667.

Important Information

You may be requested by your existing super fund to forward details or sign additional documents. Please action this as soon as possible. Please be aware that other financial institutions may impose a fee when you withdraw from their super fund. There may also be delays in having your money transferred from your existing super fund.

If you intend to lodge a notification that you will be claiming a tax deduction for the superannuation product from which you are transferring, you may need to do so before you transfer to OneCare Super. Choosing to pay premiums by rollover may also have implications for tax payable on benefits at time of claim. Please contact your financial adviser or taxation adviser for additional guidance prior to rolling over.

OnePath Life will rely on this authority to request the exact rollover amount required to fund the insurance premium for your policy at policy commencement and at each policy renewal date. We will notify you of the amount of annual premium required prior to requesting the rollover from the nominated super fund.

4. Approval to transfer

- I declare I have read this form and the information completed is true and correct.
- I request and consent to the transfer of superannuation benefits as described above and authorise the superannuation provider of each fund to give effect to this transfer.
- I understand that the trustee of the fund nominated in (2) 'From-Fund details (paying institution)' is discharged from any liability in respect of any amount transferred.
- I authorise OnePath Life to arrange for the rollover of funds as and when required, and for the amount required, to meet OneCare premium payments due for insurance held in respect of my life. These amounts may include current and ongoing premium payments, and any adjustments which may occur from time to time.
- I acknowledge this enduring authority allows for subsequent rollovers to be requested, as required, for the purpose of paying insurance premiums. The authority will remain effective until such time as I revoke it in writing.
- To the best of my knowledge, my other superannuation fund(s) is a complying superannuation fund under the *Superannuation Industry (Supervision) Act 1993* (Cth).
- The Retirement Portfolio Service (the Fund) is a regulated and complying superannuation fund under the *Superannuation Industry (Supervision) Act 1993* (Cth).
- I consent to change my premium frequency to an annual frequency (if applicable).
- I understand I may be eligible for a rollover rebate, which will reduce the amount of the rollover required to meet the premium amount due, and that the availability of the rollover rebate may be withdrawn in the future.
- I am aware I may ask my superannuation provider for information about any fees or charges that may apply, or any other information about the effect this transfer may have on my benefits, and do not require any further information.
- I approve the deduction of any applicable transfer fees, exit fees and taxes from my account with the nominated super fund in addition to the benefit being transferred (subject to legislative restrictions).
- I understand conditions apply to the transfers the Trustee can accept, and if a transfer is rejected because the conditions are not met, I will make alternative arrangements to pay the premium for OneCare Super. The conditions that apply to transfers include the following:
 - the rollover amount, plus any rollover rebate, must equal the premium due.
 - only rollovers on which any applicable fund tax has already been paid can be accepted. The rollover will be rejected if it contains, in whole or in part, an Untaxed Element of a Taxable Component.
 - rollovers which contain foreign transfer amounts (including UK transfers) or KiwiSaver amounts cannot be accepted.
- I understand that if I cancel or change my policy, any pro-rata premium refund or reimbursement will not be paid to me but will be paid into my nominated superannuation fund accumulation account unless I nominate a different fund at the time the refund is processed, and the Trustee will retain a corresponding pro-rata amount of any rollover rebate applied.
- I understand that I am transferring an amount from my superannuation accumulation account to pay OneCare Super life insurance premiums and therefore my superannuation account balance and retirement savings may be reduced.
- I understand that each superannuation fund has differing rules such as imposing a minimum rollover amount, and I am aware of all possible member entitlements that I will lose by transferring an amount from my superannuation accumulation account, such as the cancellation of any life insurance cover I have attached to that accumulation account.
- I acknowledge that my superannuation fund may have particular processing requirements that if not satisfied may prevent or delay the processing of rollovers, and it is my responsibility to ensure any requirements of which I am notified are provided.
- I understand that where I intend to claim a tax deduction for any contributions I have made to the super fund nominated in this form, it is my responsibility to lodge the required notice of intention with the fund's trustee, before any rollovers are processed, otherwise I may be prevented from claiming the deduction on the full amount of the contributions.
- I understand that I may seek advice regarding the implications of rolling over amounts from a super fund with a service period start date earlier than the start date of my OneCare Super membership for tax payable on death and disability benefits payable from OneCare Super, and do not require further information.
- I consent to the collection, use, storage and disclosure of my/our personal information (including health and other sensitive information) as described in the Privacy Policies. OnePath Life's Privacy Policy is available at onepath.com.au/about-us/privacy-policy and OnePath Custodians' Privacy Policy is available at onepath.com.au/superandinvestments/privacy-policy
- If I have provided information (including health and other sensitive information) about another person in this application (for example a beneficiary or life insured), I declare that I have the consent of that person to do so. I understand that OnePath Life and OnePath Custodians require me to inform the person concerned that I have done so and direct them to the Privacy Policies.
- I/We acknowledge that OnePath Life is a company within the Zurich Financial Services Australia Group. OnePath Custodians is a company within the IOOF Group of companies, comprising IOOF Holdings Limited ABN 49 100 103 722 and its related bodies corporate (IOOF Group).
