Collection of Tax File Numbers

You or your employer may already have provided your Tax File Number (TFN) to the Fund, if not, we are required to tell you the following details before you provide your TFN.

Your TFN is confidential, and you should know the following before you decide to provide it to the Trustee or a third party engaged by either the Trustee or a related party of the Trustee to provide superannuation administration services ("third party administrator") relating to this product:

- The Trustee and the third party administrator are authorised to collect your TFN under the Taxation and Superannuation Laws.
- If you do provide your TFN to the Trustee or the third party administrator, they will only use it for legal purposes. This includes finding or identifying your superannuation benefits where other information is insufficient, calculating tax on any superannuation benefit payments you may be entitled to.
- If you do provide your TFN to the Trustee or the third party administrator, they may provide it to the trustee of another superannuation fund or a Retirement Savings Account (RSA) provider where the trustee or RSA provider is to receive your transferred benefits in the future.
- The Trustee and the third party administrator will not pass your TFN to any other superannuation fund if you tell the Trustee or the third party administrator in writing that you do not want them to pass it on.
- The Trustee or the third party administrator may quote your TFN to the Australian Taxation Office (ATO) when reporting details of contributions for the purpose of lost member reporting, monitoring contributions caps and administration of the government co-contribution and low income superannuation contribution.

Otherwise your TFN will be treated as confidential. You are not required to provide your TFN. Declining to quote your TFN is not an offence.

However, if you do not give the Trustee or the third party administrator your TFN, either now or later:

- They may not be able to accept personal contributions.
- Additional taxes will apply to concessional contributions (including compulsory employer contributions).
- You may pay more tax on your superannuation benefits when you withdraw them than you have to (you may get this back at the end of the financial year in your income tax assessment).
- It may be difficult to locate or amalgamate your superannuation benefits in the future.

The purposes for which the Trustee or the third party administrator can use your TFN and the consequences of not providing it to them may change in the future as a result of changes to the relevant law.
